BUILDING THE FOUNDATION - A Suggested Progression of Sub-skills to Achieve the Reading Standards: Foundational Skills in the Common Core State Standards.

This Center on Instruction document is based on an analysis that determined the sub-skills students need to achieve in each of the Foundational Skills (K-5) in the Common Core State Standards (CCSS). It contains five sections, each targeting one grade level in: Print Concepts, Phonological Awareness, Phonics and Word Recognition, and Fluency, and includes instructional examples aligned to the sub-skills, giving teachers samples of activity types that facilitate acquisition of the sub-skills. Revised Publishers' Criteria for the Common Core State Standards in English Language Arts and Literacy, Grades K-2 and Revised Publishers' Criteria for the Common Core State Standards in English Language Arts and Literacy, Grades 3-12. These two guides (K-2 and Grades 3-12), developed by David Coleman and Susan Pimentel for the National Governors Association Center for Best Practices and the Council of Chief State School

Officers, provide guidance to state, district, and school practitioners and specialists as they plan to modify or supplement current resources and plan for adoption of future resources that align with CCSS and utilize practices effective in improving K-2 and Grades 3-12 Literacy, History/Social Studies, Science, and Technical subjects' literacy curricula. The Center on Instruction is one of five content centers to support the regional comprehensive centers in providing technical assistance to SEAs and districts/schools in need of improvement. The goal of COI is to supply much of the research-based information, products, guidance, analyses, and knowledge on key topics related to the Elementary and Secondary Education Act (ESEA) to the 16 Regional Comprehensive Centers for their work with states and districts.

Center on Instruction, Angela Penfold, Project Director
